US ALPACA SHOW

ALPACA SHOW AND AUCTION

MARCH 12-14, 2010

OHIO EXPO CENTER

COLUMBUS, OH

Dear Alpaca Breeder,

Thank You for joining us for the Second Annual Best of the U.S. Alpaca Show and Auction. The show is a Level IV Certified Pending by AOBA, Alpaca Owners and Breeders Association. We are excited to provide the first regional show of the spring show season, as well as the first regional auction of the year. It won't be your normal auction, so be sure to RSVP to the auction so you don't miss out on this new and exciting event. We suggest that you register as soon as possible because our stall space is limited and we don't want you to miss out!!

We want our show to be fun and safe. Please note the health requirements, like the BVDV PCR tests, and be sure your alpacas are in good health free from any communicable disease.

The Best of the U.S. Alpaca Show and Auction will be held in the Bricker Building at the Ohio Expo Center. This is an indoor, climate controlled area to keep you and your animals warm, dry and comfortable. We will all be in one building, which will make it easy to connect and network with your fellow breeders. There will be food vendors on site.

Thank you for registering for our show and we look forward to seeing you on March 12-14th for a great show and Auction!

Warmest Regards,

Eric Tapager

Judges

Huacaya Male, Performance	Dave Barboza
Huacaya Female, Performance	Diana Timmerman
Suri & Grey—Multi Huacaya's	Jill McLeod

- ◇ An exhibitors meeting will be held at 7:30pm on Friday, March 12 in the show ring for the purpose of updating you on information for the show. **ATTENDANCE IS MANDATORY.**
 - ◇ We will have 3 rings running simultaneously. One for Huacaya Males, one for Huacaya Females, and one for Suris and performance. The performance classes will be done on Sunday. When the performance classes have ended, the ring will revert back to the Suri ring to complete any unfinished Suri classes. Please make sure you have enough handlers to cover each ring.
 - ◇ The handler's attire for the halter and showmanship classes should be conservative, neat, and appropriate for the class. No open toed shoes will be permitted in the show rings. The obstacle classes are casual, so dress should be comfortable for freedom of movement to easily maneuver the obstacles.
 - ◇ All alpacas entered must be registered with the Alpaca Registry, Inc. and be microchipped before arriving to the show.
 - ◇ All alpacas must be entered in the name of the owner as listed on the ARI Registration Certificate. Animals that are being purchased or certificates that have not been transferred must have a "Owner of Record" signed by the owner that is listed on the ARI Registration Certificate. The form can be downloaded from the show division website.
- An animal may NOT be entered in any halter class more than once. Males that qualify for the Jr. Herdsire class may enter both the regular halter class and the Jr. Herdsire class. Handlers other than the owners do not need a Owner of Record form as long as the animal is entered and registered with The Best of the US show under the owner's name. AOBA show rules do not allow animals with pending papers to show.
- ◇ Age of the alpaca is determined from the date of the first scheduled day of judging-March 13, 2010. No alpacas under the age of 6 months from that date will be permitted to show.
 - ◇ Because exhibitors may not know who the other exhibitors are until arrival, entry deadlines for the Get of Sire and Produce of Dam classes is 6pm on Saturday, March 13h. If the exhibitor is not the owner of the Sire or Dam, written permission from the owner shown on the ARI Registration Certificate must be submitted. ARI registration Certificate for Dam or Sire must be submitted if not entered in the show. A copy of the ARI

Registration Certificate for each of the three progeny in Get of Sire and 2 progeny in Produce of Dam must also be provided to the Show Superintendent, if entering at the show. All offspring must be eligible and entered in their respective halter classes. Be aware that any additions will not be listed in the show book. Animals must be in full fleece.

◇ The Exhibitor Rule applies. The owner can only enter three (3) alpacas per breed type (Huacaya or Suri), per gender, per age division, per color designation.

◇ **As an exhibitor, it is your responsibility to be on time for classes.** Once the class has entered the ring and the judge and gate person have agreed that the class is final, late exhibitors may not enter the ring.

◇ The entry fees are:

\$45 per class per animal	\$35 for Bred and Owned Yearling
\$35 per Get of Sire (3 Animals)	\$35 for Breeders Best of Three
\$35 per Produce of Dam	\$15 per Youth Exhibitor
\$25 per Jr. Herdsire Halter Class **	

**** Special Class developed by Best of the US Show Management**

◇ Prizes will include a rosette ribbon for 1st through 6th place in each class, with banners for Color and Reserve Color Champions. Jr. Herdsire Class with include rosette ribbon for 1st through 3rd in each class, with banners for Color and Reserve.

◇ All entries postmarked after **February 27, 2010** will be charged a late fee of \$30.00 per animal entered, or a maximum of \$90.00 in addition to the normal entry fee.

◇ Incomplete and/or incorrect entries may be assessed an additional \$25 processing and handling fee. Please ensure that your entries are correct. You are welcome to contact any of the people listed in this registration book for answers to your questions.

◇ **AOBA** requires us to assess a \$75 showing fee for all farms that are not members of the AOBA Show Division. This fee is per farm, not per animal.

◇ Any question about color and fiber length will be resolved at the time of check in. **Please check your animal's color with the ARI color chart and the current AOBA Show Division Handbook color definitions before filling out the class entry form.** Please review the current AOBA Show Division handbook for color definitions. The Handbook color definitions will take precedence. Any color disputes will be reviewed by the judges and a final decision will be made at that time.

The following class is a special class developed by the Best of the US Alpaca Show management and is being offered for the first time at our 2010 Columbus Ohio Show, March 12-14th.

JR. HERDSIRE HALTER CLASS

We have developed a new halter class that we hope will excite and interest you to participate. This is the debut of this class and the judging criteria are focused specially for this age group of up-and-coming herdsires.

This class is for male alpacas that are nearing the age were they are being considered for future breeding programs. Age requirements are a minimum of 18 months and a maximum of two years old (including 2nd birthday).

Judging will be done with not only conformation soundness, fiber quality, but of the overall package that these alpacas will give to future breeding programs. Awards will be given to entries that are overall the best combined package of quality.

Each class will be awarded placements as follows:

Places 1st — 3rd
Champion/Best Jr. Herdsire
Reserve Champion/Runner Up Jr. Herdsire

Come and join us for this exciting class and promote your Jr. Herdsires!

Huacaya and Suri will show separately and class splits and sizes will be developed by using AOBA halter class rules.

This class has been submitted to AOBA for review. However, please consider this a non-AOBA sanctioned Exhibition Class.

2010 Mandatory Exhibitor Disclosure

Under the Show System Handbook Rules, certain alpacas and fleeces are automatically disqualified from competition and certain Exhibitors & Handlers are prohibited from personally showing in front of a Judge when a business or financial relationship exists between an AOBA Certified Judge and their customers. Each year at contract renewal time, our Judges are required to disclose those alpacas, exhibitors and handlers who cannot be shown in their show ring when judging at an AOBA Certified show. Exhibitors are also required to disclose business and financial relationships with Judges and to acknowledge animals/fleece entered into the competitions that are not allowed to show in front of certain Judges at each show they attend. This is being done to ensure Exhibitors understand the written rules and to eliminate confusion for Exhibitors & Handlers about which alpacas, Exhibitors & Handlers cannot walk into a Judge's show ring during competition and which fleeces can not be entered into a Fleece Show. Using your 2010 AOBA Show System Handbook that is posted to the AOBA Show System website, please see Part 5. Rules & Proper Conduct for All Show Participants; Section 2, Rules for Exhibitors and Handlers, S. An alpaca/fleece is disqualified from competition if....., T.
